

On Tuesdays every CPSC family will receive communication about school happenings through the Weekly Update, Parent Page and other special event fliers. If you have more than one child, any information sent home will come home via the youngest child. All students are given a special Take Home Folder from their teacher that is to be returned on Wednesday.

Please indicate below if you prefer to receive your weekly communications electronically (email) or paper copies sent home with your child. If you choose email, please print your preferred email address below. Thanks!

_____ Send info. electronically

1) _____ @ _____

2) _____ @ _____

_____ Send paper copies
