Quarter 1, week 1

CPSC Weekly Update

...words of wisdom from John and important dates to remember...

From the Director...

July 19, 2010

Happy New Year! Welcome all new families and staff. We are excited to have you join the Central Park School for Children community. The last two weeks have been packed full of home visits, professional development workshops and classroom setups/make-overs. The hopes and dreams for the new year are palpable!

To start off the year, I want to explain the way morning Drop-Off will work this year. As usual, students are allowed to arrive at school starting at 7:45 AM. This year if you arrive before 8:00 AM, please park in the parking lot next to the school and drop off your child off in the upper playground behind the school. Check in with Kate Millard, one of our assistant teachers, to assure your child is under adult supervision. For children arriving between 8:00 and 8:10 AM, you may pull up to the front of the school on Foster Street, where a staff member will open your car door and direct your child(ren) to the gravel path that leads to the upper playground. All children need to check in with Kate once they arrive on the upper playground. After 8:10 AM, students will be allowed to go directly to their classroom. If you know your child needs a little settling in time in class, be sure to arrive before 8:20 AM.

Each class has a goal of starting class meetings or classroom instruction every morning promptly at 8:30 AM. **In order to be respectful of the teacher's instructional time, as well as the other students in the class, and to allow your child to start the day as a responsible member with her classroom community, please make every effort to bring your child so she is ready to start the day at 8:30!**

Yours,

John
