Quarter 1, Week 2

Parent Participation News brought to you by Paula, Assistant Director

“Enthusiasm is contagious. Be a carrier.” – Susan Rabin

SCHOOL COUNCIL NEEDS YOU!

We have only two nominations for parent reps. so far. This is such an important role...to have parent voices heard while we make decisions about our school!

Parents Needed:

We could still use a few more people to help with greeting children in the morning as they get out of their cars from 8:10-8:30am. Honestly, it is one of my favorite times of day at school (except for when it's pouring down rain.) Let me know if you can help one morning a week. Having more help makes the car line move quicker!

PICNIC

We will be rescheduling The All School Picnic. when and where depends on the availability of city parks in Durham.

APPRECIATIONS

- **We're off to another fantastic year at CPSC with the amazing parents in our school community! Thanks to all who responded last week to the requests for washing kitchen towels, helping in art classes and offering assistance in our front office!!** If you responded and haven't heard back from me by the end of this week, please remind me that you wanted to help out too.
- A general "Thank You!" to all parents / guardians of our CPSC students this year for sending us enthusiastic, bright, ready-to-learn children! It was quite a treat to be in our school last week listening to the sounds of excited and eager students and teachers. We are all very lucky to be here.
