

# CPSC is celebrating Grandparents!

Grandparents are invited to a **MUFFIN MORNING** in September

Sunday, Sept. 11 is “Grandparents Day” in the USA. We know that grandparents and adults who are “like grandparents” to our children hold a very special place in a child’s heart. We would like to give children the opportunity to share their school with these special people.

*\*Note: Sept. 11 is also the new date for our All School Picnic...grandparents are welcome to join us there too so if they are coming from out of town, they can come for the weekend!*

## What is Muffin Morning?

Grandparents (and other people who are “like a grandparent” and special in the lives of your children) are invited to join their grandchildren in their classrooms from 8:30am – 9:30am on the following mornings:

**Friday, Sept. 9: Grades K-2 and Monday, Sept. 12: Grades 3-5**

They will find muffins, juice and coffee in the Big Room for their enjoyment (**adults only**....children need to go directly to their classrooms). Refreshments may then be taken to the classrooms, where our special guests will join in an activity or observe a typical morning in our classes at CPSC.

Please invite grandparents (or other special adults) to join us in September. RSVP before Sept. 6<sup>th</sup> by emailing [paula@cpsfc.org](mailto:paula@cpsfc.org) or by returning the bottom portion of this flier to your child’s teacher. Thanks!
