

ORDERING SCHOOL PICTURES

CPSC Fall 2011

Many thanks to Chris Ciccone, CPSC parent, who took the photographs for our school pictures this year and has set up the website for ordering pictures. ALL PROCEEDS from these pictures go directly to CPSC!

KEY POINTS FOR ORDERING PICTURES THIS YEAR:

- Checkout is straightforward: Click on your child's teacher and then on your child's picture. There is an 'add to cart' button for every image, and when clicked will give a selection of print and product options. Payments via credit cards thru paypal (no paypal account is necessary).
- You have choices to order photos ranging in size from wallet-size to 8 x 10. (These are found under the heading "prints" on the photo website.)
- You may order key chains, refrigerator magnets and mugs with photos on them. (They are found under "products" on the photo website.)
- If you would rather pay by check, you may request an order form to complete by hand from the front office or by contacting Paula.
- You may come to the school library to access your child's photo on a school computer to order online. Please contact Heather in the library to arrange a time.
- If you have questions about a photo or the website used to order pictures contact Chris at cpsfcphotos@gmail.com or contact Paula at paula@cpsfc.org or call Paula at 682-1200.

ALL PICTURES AND PRODUCTS YOU ORDER WILL BE MAILED TO YOUR HOME. NO PICTURES WILL BE SENT TO SCHOOL.
