WORKDAY APPRECIATIONS!

Thanks to over 40 parents, and their children, who came out to the All School Workday this past Saturday. Much was accomplished, including: cleaning, painting, organizing, hauling away old computer equipment and rearranging spaces throughout the school. Special thanks to our Builder Crew who added more shelving, rearranged a loft and built storage units for classrooms and our library. A shout out to 5th grade Tate and 4th grade Jackson for their hard work on Saturday too!
