

CPSC 2012 SAVE OUR ARTS SERVICE DONATION FORM

To: CPSC Staff and Parents

From: Paula Januzzi-Godfrey, Development Director / Auction Coordinator

WHAT: We are looking for individual service donations to be auctioned off at the Save Our Arts Benefit on January 28th

HOW: It's easy! You may offer a service or a talent or an item that you think would be of interest to CPSC families. Think of a service you service you could provide (pet sitting, cooking, knitting lessons, etc.) or a fun afternoon or evening for a small group of children.

Some examples would be:

I will take 4 children ages 6-8 to the Life and Science Museum for 3 hours on a weekend or during spring intersession. This includes transportation, healthy snacks and admission to the museum. The date and time will be determined between the highest auction bidder and me!

OR

I will give 5 guitar lessons to one child (age 8-11) in my home. I have been playing and teaching guitar for 10 years.

OR

I will provide 4 dozen homemade cookies for 6 months. Cookie choices range from chocolate chip to homemade fudge. Details will be worked out between the highest bidder and me.

****If you have an idea, but are not sure if it would work, ask Paula!**

PLEASE RETURN THIS FORM TO PAULA NO LATER THAN JANUARY 25th.
