

June 28, 2010

Dear Parents/Guardians,

There is nothing quite like the excitement of a new school year. In just a few weeks your child(ren) will be getting acquainted with a new teacher, playing with old and new friends, and preparing for their best school year yet!

This “June Mailing” is packed full of important information, dates and forms to fill out. Below I have provided a checklist for you to use to be sure that you received everything you need to get the 2010-11 school year at CPSC off on the right foot. Let me know if something is missing.

I know you will find the class list that tells you who your child’s teacher is this year (if you haven’t already!), but please take the time to read through all of the other items in this packet. Please note that Intersession Camp brochures will come home the first week of school.

The forms in the separate envelope are to be completed by the first day of school. It would be best if you completed them and handed them to your child’s teacher during the upcoming home visit from their teacher.

See you on July 19th!
